

THE VISTAS COMMUNITY WEBSITE

We are pleased to announce the formation of The Vistas

website. Your new community website will not only integrate with your Association's banking institution, it allows owners to view all information pertaining to their personal Association account (i.e., assessment account, violations, work orders, architectural requests, etc.), and pay with a credit card or eCheck. Once you enter the site, go to the various menus to see what information is available to you.

In addition to viewing your personal account, you will now have the ability to review the approved Board Meeting Minutes, Financials, Governing Documents, Community Calendar and more. Be sure to check the site often as new things are being added all the time.

Here are the SIMPLE instructions to join your community website:

1. Just go to www.amcorprop.com. From here, click on "HOMEOWNER LOG-IN".
2. Click on "REGISTER".
3. You will need to input your Account No. (see on the Welcome letter), Name and the address for the property you own in the Association, general information and your email address (which will be used for your SIGN-IN name). You will then be asked to create a password for access.
4. If there is any deviation from the information we have on file for your account, you will receive an email stating that management must confirm your information. This may take one business day, and once confirmed, you will be notified via email.

Please be sure to include 'donotreply@amcorprop.com' in your email contacts so your Association's emails do not get listed as spam.

Please do not ever hesitate to call AMCOR (480) 948-5860, ext. 107, if you have questions. This website is just a means to give you faster access to items you may need or want without having to place a phone call.
